We all Pizza!

Since 2015, we have been bringing the WOW factor to festival themed events and celebrations.

The idea of a Scandinavian vibe coupled with a giant wood-fired pizza oven was borne from our love of outdoor events.

The theatrical element of preparation takes place right in front of your guests allowing them to socialise around a 16 meter service area. Our scrumptious sourdough bases are then served from a hot plate beneath our Little Hat Tipi, complete with a thousand fairy lights.

MyPizzaEvent is part of Kents Award Winning Tipi provider MyTipiEvent .
