Giant Hat

Here at MyTipiEvent we appreciate that no one likes to talk about money. We understand that two of the most expensive aspects of a wedding are the cost of hiring a structure and feeding your guests. We strongly recommend allocating a budget and sticking to it and we will do our very best to work within it.

Little Hat Tipi

The Little Hat Tipi is a stand alone carousel, illuminated with fairy lights. It is a perfect space to guests to unwind or to serve canapés and champagne on arrival.

Perfect for approximately 40 guests

Tipi Catering Hat
